

MEMORANDUM:

Earthwise Environmental, Inc. is moving into the downtown Milwaukee Schlitz Park Campus to serve customers in Wisconsin. Earthwise is celebrating its 21st year of business providing water solutions to industrial and commercial clients.

“We look forward to increasing our water treatment and energy-saving solutions in Wisconsin,” remarked Bob Miller, CEO of Earthwise. “Our technicians operate as partners in production, facility safety, and infrastructure efficiency. It’s great to join the Milwaukee business community.”
